URIDE: Advanced Use Case Scenario

UNIVERSITY OF MIAMI
CLINICAL &
TRANSLATIONAL
SCIENCE INSTITUTE

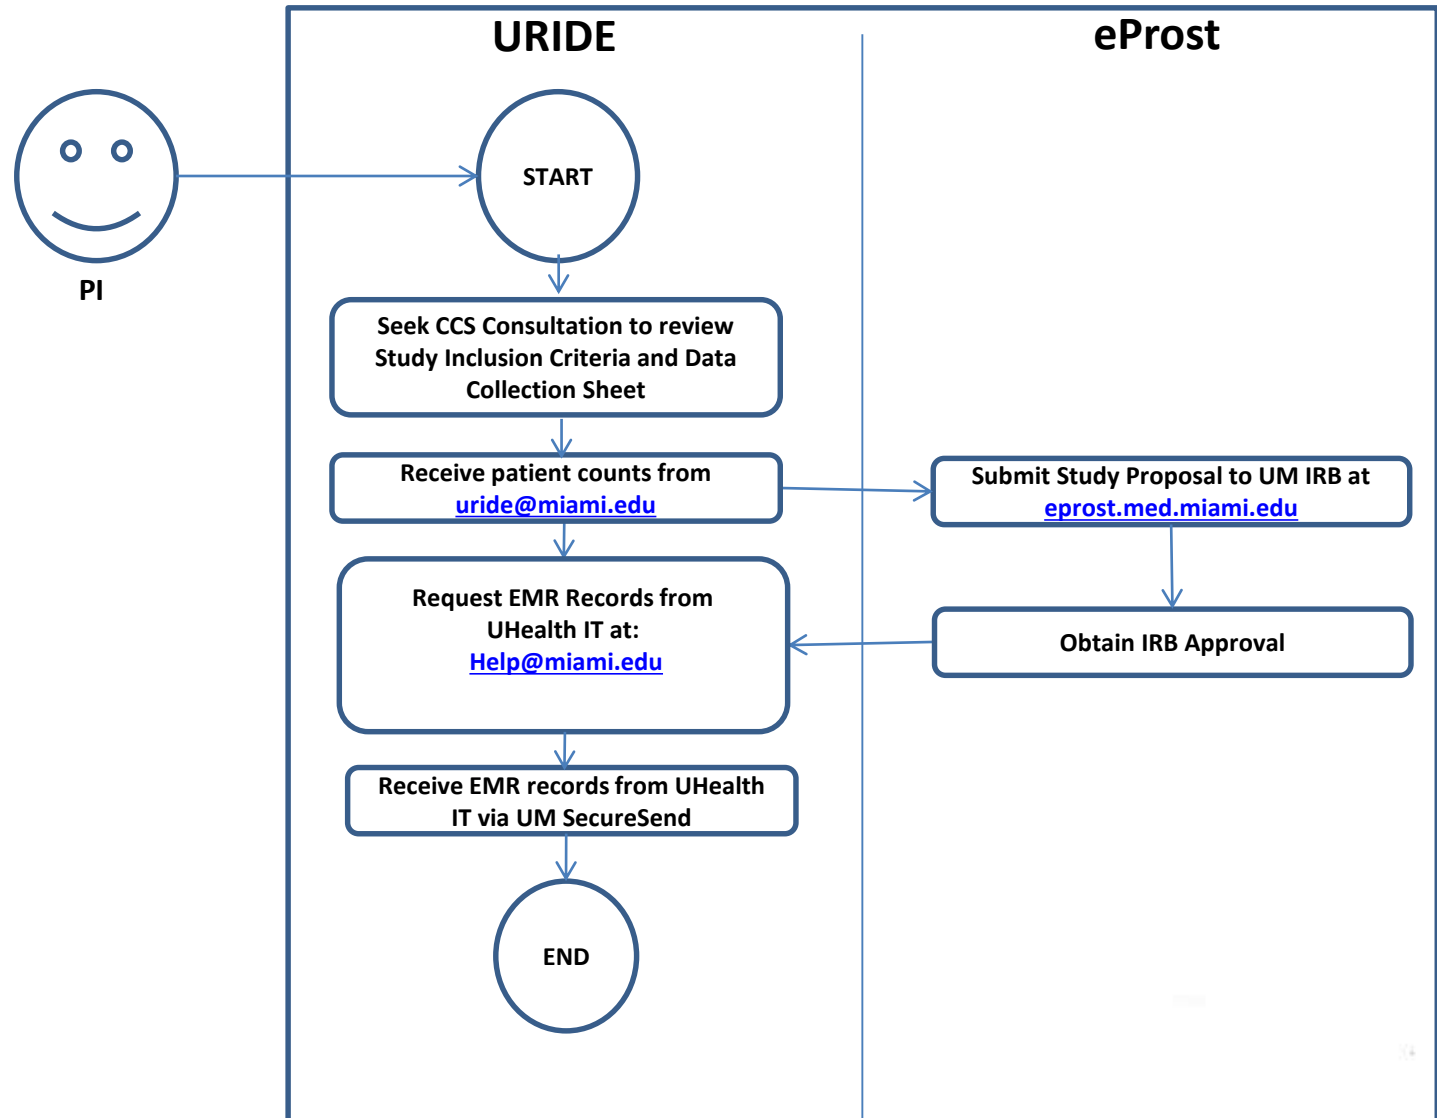

Center For Computational Science
January 17, 2017

❖ **Advanced level use of the URIDE application**

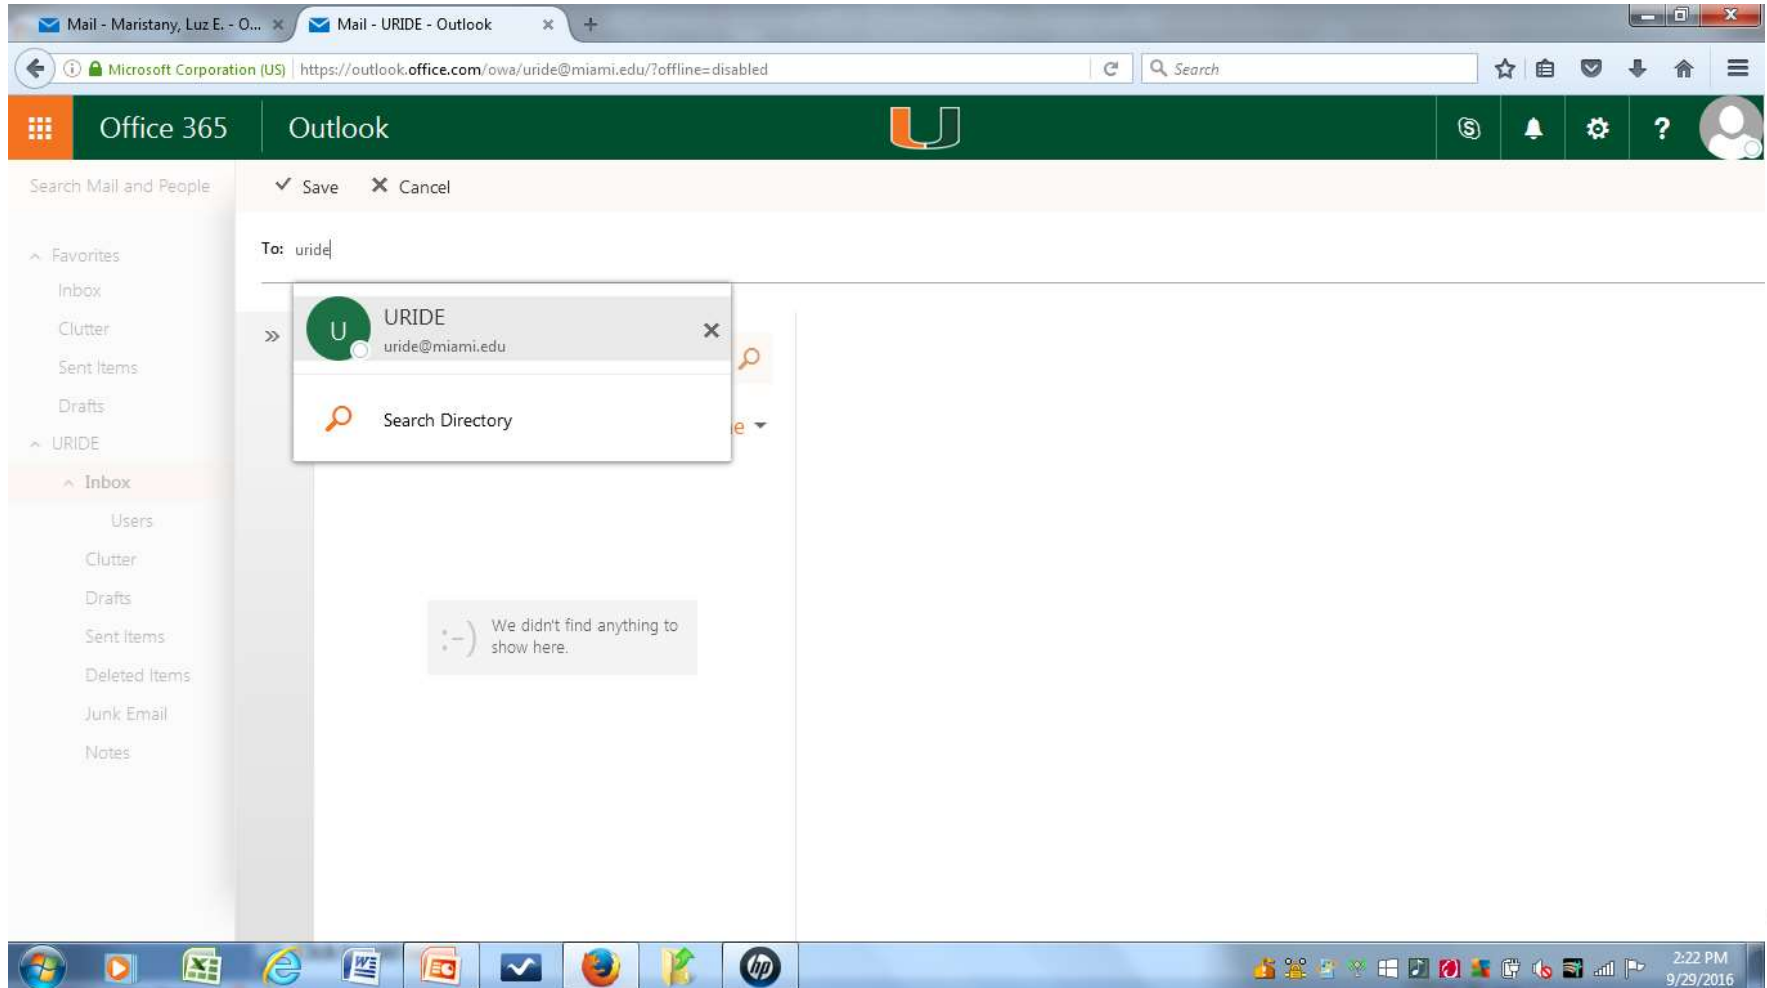

- ◆ The Advanced Use Case Scenarios for the use of the URIDE application incorporate:
 - A large number of Diagnostic and Procedure codes, and/or
 - Require customized modifications to the Search logic, and/or
 - Necessitates technical assistance to assess patient counts.

ACTIVITY DIAGRAM

To review Study Inclusion Criteria and Data Collection Sheet email:
uride@miami.edu

Receive Patient Counts

To: Principal Investigator From: uride@miami.edu

A screenshot of the Outlook web interface. The browser address bar shows the URL: https://outlook.office.com/owa/uride@miami.edu/?offline=disabled. The Outlook header includes 'Office 365 Outlook' and the Miami University logo. The main content area shows an email header 'To: Dr. John Doe from uride@miami.edu'. A search box is open, displaying 'Search Directory' and 'Your contacts By first name'. A message below the search results states: ':-) We didn't find anything to show here.' The left sidebar shows the navigation pane with 'URIDE' expanded to 'Inbox'. The Windows taskbar at the bottom shows various application icons and the system tray with the time 2:25 PM on 9/29/2016.

To request EMR records, contact UHealthIT at:

❖ help@miami.edu

Receive EMR records via UM Secure Send:

A screenshot of a web browser displaying the University of Miami Secure Send File Transfer Portal. The browser's address bar shows the URL: https://secure2.send.miami.edu/courier/web/0000/@/wmLogin.html? The page features the University of Miami logo and the text "SecureSend" and "File Transfer Portal". On the right side, there is a "User Login:" section with input fields for "E-mail:" and "Password:", a "Forgot password?" link, and a "Login" button. Below the login fields, there are links for "Getting Started?" and "Contact Us". A "Note" section lists supported email domains: @miami.edu, @med.miami.edu, and @law.miami.edu. It also provides instructions on authentication and a link to download Java. At the bottom right, it says "Secured by Accellion". A disclaimer at the bottom states that the site is for authorized users only and that unauthorized access is illegal. The Windows taskbar is visible at the bottom of the screenshot, showing the time as 3:56 PM on 9/29/2016.

Thank you
